

SCOTTISH CHILDMINDING ASSOCIATION GRANT SCHEME ANNUAL CONFERENCE 2018

“Reach for the Stars”

29 September 2018

The Grand Central Hotel, Glasgow

The Scottish Childminding Association Annual Conference is one of the key highlights in the SCMA events calendar and *Reach for the Stars* will be the major childminding conference in 2018.

The conference is designed to support the talented professionals working in the Early Learning and Childcare sector in Scotland. A range of inspiring speakers will motivate and engage with our audience and as SCMA deliver award winning events, delegates can expect a fun, educational and interactive conference. This year a range of our workshops will support the theme of *Reach for the Stars*, with practical ideas on how to embrace change and step outside of that comfort zone. The workshops will be creative, hands-on, and innovative to ensure they are meaningful and memorable and we know that it is in these moments of fun and interaction that excitement starts and engagement happens so that lifelong friendships are formed. All workshops will come with Certificates of Attendance and the conference will be Open Badged.

This is your chance to apply for subsidised places. A fund has been set aside for full childminder members to apply, should you wish to attend the Scottish Childminding Association conference. Grants of up to 50% of total costs will be available; the maximum allocation will be £125 per member. Priority will be given to conference fees, accommodation and travel; additional items can be requested but may not be awarded if the grant fund is oversubscribed.

We expect the member to contribute at least 50% of the funds themselves via other fundraising arrangements or self-financing.

Conditions of Applications

1. The closing date for applications 20 April 2018.
2. Only full childminder members of the Association are able to benefit from the grant fund. Members that apply under the grant scheme may do so for themselves only.
3. All applicants will know the result of their application by 4 May 2018.
4. Prior to any monies being paid out receipts will be necessary.
5. Reimbursement will be made following attendance at the Annual Conference.
